

HPD UNIQUE IDENTIFIER: 447961370624

CLASSIFICATION: 09 65 19.23 Vinyl Tile Flooring

PRODUCT TYPE: Multi-layer Resilient Flooring (Resilient)

PRODUCT DESCRIPTION: Aspecta™ Contours is a conceptual, boutique-style collection of large-scale patterned floors built on the foundation of our ISOCORE Technology®. This multi-Layer WPC features four distinct floor designs and one complimentary straight plank, each sharing a common palette of 8 colors, that will enable architects and designers to apply traditional parquet motifs in an oversized scale. Aspecta Contours' patterns include the Chantilly whalebone pattern – a bold, oversized interpretation of herringbone; Chambord, a single plank, large-scale Chevron design; Tarascon, a modern take on basketweave; Versailles, smaller-scale, pre-assembled chevron planks; and Piazza, a straight lay click plank. Together they represent a key strategic design for a floating floor. With visuals trending towards high-style, designer looks in wood grain patterns, these planks can inspire designers and architects to go beyond traditional parquet designs into quasi-custom looks without the additional time and expense of specifying a custom product. With an 8.0 mm gauge and a 0.55 mm (22mil) wear layer, Aspecta Contours is finished with Aspecta's proprietary Duraspect Extreme Surface Protectant™ for unrivaled abrasion resistance and stain repellency. A pre-attached HDPE (High-Density Polyethylene) underlayment provides sound mitigation and enhanced comfort underfoot.
