CONTENT IN DESCENDING ORDER OF QUANTITY

Summary of product contents and results from screening individual chemical substances against HPD Priority Hazard Lists and the GreenScreen for Safer Chemicals®. The HPD does not assess whether using or handling this product will expose individuals to its chemical substances or any health risk. Refer to Section 2 for further details.

## Section 2: Content in Descending Order of Quantity

This section lists contents in a product based on specific threshold(s) and reports detailed health information including hazards. This HPD uses the inventory method indicated above, which is one of three possible methods:

- Basic Inventory method with Product-level threshold.
- Nested Material Inventory method with Product-level threshold
- Nested Material Inventory method with individual Material-level thresholds

Definitions and requirements for the three inventory methods and requirements for each data field can be found in the HPD Open Standard version 2.3, available on the HPDC website at: [www.hpd-collaborative.org/hpd-2-3-standard](http://www.hpd-collaborative.org/hpd-2-3-standard)

SUBSTANCE NOTES: CETSEAL does contain a very small amount, approximately 0.3% by weight, of bis(2-propylheptyl) phthalate (DPHP), (CAS No) 53306-54-0 which belongs to the C10 class of plasticizers. When compared to other phthalate ester plasticizers, DPHP is significantly less volatile, and offers very low migration for stable long-term performance. It was one of the first plasticizers registered under the European chemicals regulation REACH, and is non-classified, meaning it is not a CMR (carcinogenic, mutagenic or toxic to reproduction) classified phthalate.

## Section 4: Accessories

*This section lists related products or materials that the manufacturer requires or recommends for installation (such as adhesives or fasteners), maintenance, cleaning, or operations. For information relating to the contents of these related products, refer to their applicable Health Product Declarations, if available.*

No accessories are required for this product.

## Section 5: General Notes

Install according to manufacturer's guidelines.
